Fall 2022 E-Town Innovation Grant Overview for... Evanston-Based Business with a Charitable Purpose

This document provides information for **Evanston-based businesses with a charitable purpose interested in applying for an E-Town Innovation grant.**

Businesses must meet one or more of these criteria:

- Meet a basic human need
- Provide a service not offered by local nonprofit sector (or has a demand that exceeds availability)
- Broaden workforce development pathways to living wage careers for BIPOC-identifying community members

If you are with another type of group or organization, download the E-Town Innovation grant guidelines for your type of organization at evanstonforever.org. Questions and required paperwork may differ.

funding priorities

We want Evanston to thrive as a vibrant, just, and equitable community. We fund projects that:

- Create real opportunities for Black people, Indigenous people, and people of color (BIPOC) to make Evanston more equitable
- Meaningfully engage BIPOC community members to identify problems and develop solutions - from program start to finish
- Encourage collaboration between organizations or groups

We fund projects that develop new ideas as well as expand or improve on existing work. Whether a project is new or ongoing, we look to support work that disrupts “how it’s always been done” and centers racial equity at its core.

who can apply

Businesses must be Evanston-based, serve the Evanston community, and can include:

- New applicants
- Current grantees
- Former grantees
- Previous applicants

Note: Businesses are only eligible for one E-Town Innovation grant per 12-month period. ~~Organizations can apply for and receive other types of ECF grants during the same year.~~

funding guidelines

Grant amounts range from \$2,500 – \$20,000.

- Proposed project budgets should be appropriate to the scope

These grants do not fund endowments, fundraising or sponsorship of events, or individuals. We also do not fund religious-based projects. Faith-based organizations may apply for projects benefiting the general community.
