PRESIDENT'S MESSAGE

Dear Friends of the Foundation,

I would like to personally welcome you to the 2023 Grant Awards and Community Impact Celebration. Thank you so much for being with us on what is truly one of the highlights of our year. This is my third Grant Awards as President and I'm still amazed at the level of generosity within the Evanston community. I hope and believe that we can preserve the momentum of last year's wonderful event and drive more change in Evanston.

It is an exciting time here at the Community Foundation as we look ahead. We will work to elevate voices in the community and bolster our efforts to build justice and resiliency in Evanston; and continue to connect and strengthen the nonprofit community beyond grantmaking.

As we gather here tonight, let us remember that the spirit of change resides within each and every one of us. We have the power to drive change, to shape the destiny of our community, and to build a legacy that transcends time. Together, let us celebrate the indomitable spirit of Evanston, a spirit that embodies compassion, resilience, and an unrelenting pursuit of justice.

I extend my deepest gratitude to all of you for joining us tonight. Your presence here is a testament to your dedication to our community and your belief in the power of collective action. Together, we will continue to forge a path toward a thriving and inclusive Evanston—now, forever, and for everyone.

In the Spirit of Ubuntu,

* ECF uses the term BIPOC to highlight the unique history of oppression and continual, systemic discrimination that Black and Indigenous people experience within a U.S. context. These systems, built on white supremacy culture, impact all People of Color. As such, ECF prioritizes organizations led by and/or centered on the voices of Black, Indigenous, Latinx, and Asian community members, and those impacted by multiple intersectional systems of oppression.
