How Applicants Are Selected for Funding

At ECF, our grant funding decisions are led by the community.

We have dedicated grantmaking committees made up of people of diverse identities and lived experiences who all live, work, play, and learn in Evanston. These community members are deeply engaged in social justice, civic engagement, and lifelong learning. These committees review the applications and recommend grants to be funded by ECF.

The application reflects 4 areas that your organization or group will be evaluated on:

Vision and Plan	Racial Equity and Diversity, Equity and Inclusion Practices
Evanston and Community Impact	Systems Change

Final Notes

We understand that preparing and submitting an application is a big investment of your time and resources. Please note that we are not able to fund all requests through this grant opportunity and cannot guarantee funding to any applicant. While this grant opportunity is intended to provide general operating grants, under unique circumstances ECF may restrict grants to maintain compliance with internal policies and commitment to stewarding funds for charitable purposes. Should this situation arise for your organization or group at any time during the application process, an ECF staff member will reach out to you with more information.

Thank you for your interest in the ECF grant opportunity.
