2023 E-Town Innovation Grant Overview for…
Community Institutions

This document provides information for community institutions interested in applying for an E-Town Innovation grant. This includes 501c3 organizations, 501c6 organizations, local schools, local government, or organizations with a fiscal sponsor relationship.

If you are with another type of group or organization, download the E-Town Innovation grant guidelines for your type of organization at evanstonforever.org. Questions and required paperwork may differ.

funding priorities

We want Evanston to thrive as a vibrant, just, and inclusive community. We fund projects that:

- Create real opportunities for Black people, Indigenous people, and People of Color (BIPOC)¹ to make Evanston more equitable
- Meaningfully engage BIPOC community members to identify problems and develop solutions - from program start to finish
- Encourage collaboration between organizations or groups

We fund projects that develop new ideas as well as expand or improve on existing work. Whether a project is new or ongoing, we look to support work that disrupts “how it’s always been done” and centers racial equity at its core.

who can apply

Projects must serve the Evanston community. Organizations or groups can include:

- New applicants
- Current grantees
- Former grantees
- Previous applicants

¹ ECF uses the term BIPOC to highlight the unique history of oppression and continual, systemic discrimination that Black and Indigenous people experience within a U.S. context. These systems, built on white supremacy culture, impact all People of Color. As such, ECF prioritizes organizations led by and/or centered on the voices of Black, Indigenous, Latinx, and Asian community members, and those impacted by multiple intersectional systems of oppression
**Note:** Organizations are only eligible for one E-Town Innovation grant per 12-month period. Organizations can apply for and receive other types of ECF grants during the same year.

**funding guidelines**

Grant amounts range from $2,500 – $20,000.
- Proposed project budgets should be appropriate to the scope
- Grant period is for a 12-month period

These grants do not fund endowments, fundraising or sponsorship of events, or individuals. We also do not fund religious-based projects. Faith-based organizations may apply for projects benefiting the general community.

**what the committee considers**

A diverse committee of Evanston residents reviews the applications and decides which projects are funded. Here are the main areas the committee considers when deciding which projects to fund:

**Evanston Service**
- How the project serves the Evanston community
- Balance of # of people served and intensiveness of services
- Ability to explain project need

**Plan and Impact**
- Community need for the project
- How the project impacts systems

**Equity**
- How the project advances racial equity
- How the project creates more opportunities and equitable outcomes for BIPOC Evanston residents

**Community Voice**
- Who key stakeholders are + how they are involved
- How BIPOC community voices are centered in the project

**Collaboration**
- Strength of collaborations, if applicable
- Roles of any partners

**Clarity of Proposal**
- How clearly the proposal explains the overall project
- How effectively the proposal describes what the project intends to accomplish and how to reach these outcomes

**Financials**
- Appropriateness of project budget and anticipated use of resources
- How well the group/organization can successfully handle the project
