2021 Nonprofit Growth & Sustainability Grants

These grants are focused on organizational capacity and sustainability.

One of Evanston Community Foundation’s goals is to support a thriving nonprofit sector in Evanston. For nonprofits to thrive, they must have the ability to support ongoing work and build their capacity.

Our Funding Priorities

Through this grant, there are two main funding areas:

**Capacity Building Grants:** Funding specific projects that support an organization’s long-term growth and development

**Operating Support Grants:**
- Demonstrate a commitment to racial equity in mission, vision and practice
- Offering unrestricted flexible funding to support an organization’s sustainability

Proposal and Grant Timeline

Grants are for a 12-month cycle.

**Application Due:** September 20, 2021  **Grantees Notified:** November 15, 2021

**Application Due:** March 7, 2022  **Grantees Notified:** By April 15, 2022

Funding

Through the Nonprofit Growth and Sustainability Grant program, we fund:

- One-year grants with a maximum amount of $25,000 and not more than 10% of organization’s operating budget
- Up to one Growth and Sustainability Grant during a 12-month period

Who Can Apply

Any group or organization providing services to Evanston residents can apply for a grant. All proposals must address issues, concerns, or opportunities in the Evanston community.

Additionally, applicants must fit in one of the following categories:
• 501(c)(3) organization
• An organization that has a fiscal sponsor that qualifies as a 501(c)(3) organization

New applicants, current grantees, former grantees, or previous applicants to any ECF grants program are eligible to apply. While your organization is only eligible for one Nonprofit Growth & Sustainability grant per 12 month period, your organization may apply for other ECF grants during the same year.

Please note, we do not fund:
• Endowments
• Fundraising events or sponsorship of events
• Religious-based projects (though faith-based organizations may apply for work benefitting the general community)
• Individuals

How To Apply

You can find all application questions and materials and submit an application through ECF’s online grant system, which you can access through www.evanstonforever.org.

For all narrative questions, tell us briefly and directly about your idea, those you will serve, and why your group is the best fit to make the project happen. Do not worry about phrasing things just right.

If you need access to a computer or help submitting your application online, please contact us grants@evanstonforever.org or 847-492-0990.

The grants committee will announce grantees by Monday, November 15, 2021.
