### **Snapshot Evanston**

Interested in getting deeper knowledge of our community? ECF is offering Snapshot Evanston, its one-day overview of the community, on Thursday, October 27, from 8:30 a.m. to 2:30 p.m. at One Rotary Center, 1560 Sherman Ave. The program cost is \$75 per person or \$125 for two, and includes light breakfast and lunch.

Snapshot Evanston is designed to give local residents and Evanston-based employees an in-depth, one-day orientation to the community. This dynamic program gives participants the opportunity to meet with local leaders, delve into current issues, and tour the entire city. By the end of the day, participants have a better picture of how Evanston works and its strengths and challenges as it moves into the future.

Snapshot is a terrific introduction to Evanston for new employees. Rosa Sriver, Program and Office Manager at Evanston Cradle to Career said, "Last year I was new to my position, and I learned so much about Evanston and its history from this one-day workshop. I highly recommend Snapshot Evanston to anyone interested in learning more about the Evanston Community."
